GUIDED MISSILES DIVISION
Memorandum No. 13

COORDINATION WITH THE GUIDED MISSILE STAFF, ORR

1. Recent conversation with [REDACTED] of ORR indicates that he has assigned primary interest of certain of his personnel to specific activities. These are listed as follows:

Plants and Ministries

Surface-to-Air Missile Project, Moscow Sites,

Kapustin Yar Activities
Associated therewith

Electronics and Activities within Soviet
Satellites

All of the above mentioned analysts are on [REDACTED]

2. For purposes of working level coordination between the Guided Missiles Division, SI, and the Guided Missile Staff, ORR, it is recommended that personnel listed above be contacted within their respective areas. Where such coordination could result in workloads being placed either on OSI or ORR, [REDACTED] and the undersigned should be informed and indicate approval.
